# Changes and Growth 2023-24

- In 2023 we served 104 individuals.
- In 2024 we have served 213 unduplicated individuals through September and project that number to be 250 by year end.
- 110 received general assistance/117 emergency

# Changes and Growth 2023-24

- Added one new employee, Paul ViaFranco
- Formed strategic partnership with Scott Center to reach underserved communities and share office space

# Changes and Growth 2023-24

- Added 6 new board members
- Still looking to add diversity and people in finance and HR
- Reactivated Investment, Patient Services Committees. Exec and Fundraising next.
- Assets of \$1.8M due to major bequests, good market

# General Assistance

# General Assistance

- Can be used for transportation (\$40/month), Pharmacy credit at Toledo Family Pharmacy (\$500/year) or Nutrition Supplements (\$40/month)
- Household income to qualify has increased from 150% of Federal Poverty Level to 200%

# Emergency Assistance

# Emergency Assistance Overview

- \$150 per calendar year
- Can be combined with general assistance
- No financial qualification
- Apply online

# Emergency Assistance Philosophy

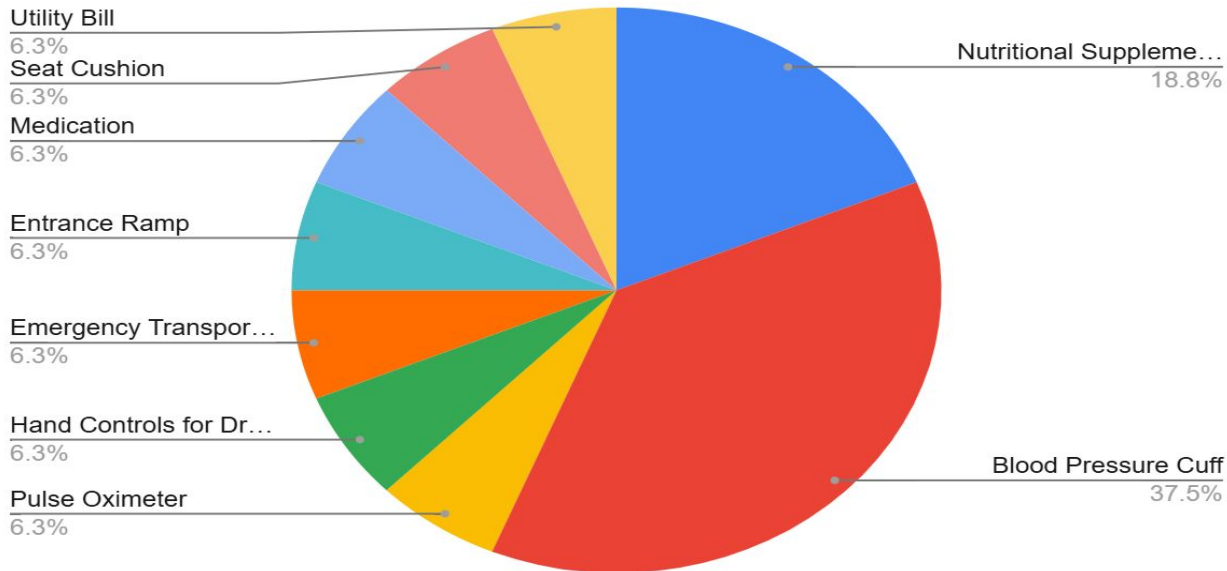

- Money meant to support the health and welfare of patient
- We will fund anything that can make a direct impact or solve a problem (even a temporary one)
- Won't pay \$150 toward a \$3000 utility bill
- Won't pay for bedbug treatment or food. Have paid for needed bedbug inspection.

# Emergency Assistance Requests

## The flexibility of emergency assistance

Count of Emergency Assistance Requested

# Emergency Assistance

- We try to respond within 1-3 days of receiving request.
- Call us to talk through unusual situations
